(Written on a page of a small Bible. This page had been inserted

I, John F. Duerksen, was born in Russia in the village Alexandertal  
on July 25, 1863 on Thursday. In a short time, I was dedicated to the  
Lord by Br. Jacob Jantz, Friedensfeld. The man was interesting to me,  
and I observed him closely. He is already well founded in the service  
of his Lord, old and well experienced in the service of his Lord. I was  
baptized on April 30, 1879, in Klippenfeld in the Talmand. My parents  
are Jacob and Katherine (born, Funk). Jacob was born May 2, 1840.  
Katherine was born June 14, 1844. Both were born and reared in  
Alexandertal. The parents of my father were John and Helena (born Boldt)  
Duerksen. Both born in Prussia. Their parents must have lived near  
Danzig. The parents of my mother were Peter Funk and Julianna (born,  
Fenski). Both born in Prussia. My grandmother was about 19 years old  
when she left the Lutheran Church and joined the Gnadenfeld Mennonite  
Church. My grandmother's brother died in the war against Napoleon in  
1815. The parents of my wife were Abraham and Katherine (born Dück)  
Warkentin. (On the margin opposite this is this notation: Baptized  
1884, July 19.)
